

**FIRST/SECOND
ANNOUNCEMENT**

EUDY YOUTH CAMP & GENERAL ASSEMBLY 2023

**ALMADA, PORTUGAL
10TH-20TH AUGUST 2023**

ABOUT EUDY

The European Union of the Deaf Youth is a European non-profit organization whose membership comprises the Youth National Associations of the Deaf and Youth Section of National Associations of Deaf people in Europe. Established in 1987, EUDY is the only organization representing the interests of Deaf Youth living in Europe.

EUDY strives to foster the personal development of young Deaf persons with sign language in Europe and to further mutual understanding to advance and protect the rights of Deaf people and opportunities for young Deaf people in Europe. EUDY also offers activities for Deaf young people, which is very beneficial for many Deaf young people across Europe as they do not always have the opportunity for international youth exchanges. Find more information via www.eudy.info.

ABOUT CNJS-FPAS

The National Commission of Deaf Youth (Comissão Nacional de Juventude Surda - CNJS) is an organization that belongs to the Portuguese Federation of Associations of the Deaf (Federação Portuguesa das Associações de Surdos - FPAS). The CNJS, founded on July 20th, 2013, has the autonomy to carry out its activities, except for financial matters which are supervised by the FPAS. The CNJS represents the Deaf Youth in Portugal, at both national and international levels, and develops activities for them in Portugal. Additionally, the CNJS aims to promote the cohesion of the Deaf Youth movement, including the Deaf Youth departments in local clubs, and to fight for the rights of Deaf Youth.

PARTICIPANTS

The participants of the Youth Camp must be 18 years and older on the first day of the camp. The participants who are 18 years old before the camp date and the participants who are 30 years old during camp are welcome. This means that a 30-year-old person who will be turning 31 in the camp cannot join.

THEME

The main theme of this activity is climate change. Participants will learn the impact the climate change has on their lives, particular on the youth work and the democratic processes. By bringing in deaf environmentalists during the international activity we aim to achieve aims of the project. These knowledgeable people can stimulate the participants to become more aware of the climate issue and to undertake action. Examples of said actions are group work to make impact videos for deaf people around Europe and the banning of plastic one-use materials, such as cups during the international activity. With leading by example we also aim to educate the young participants. Having this international activity is an ideal opportunity to learn from different countries, cultures, and perspectives. Different lectures, debates, and workshops around diverse topics related to climate change will be organised during the international activity.

OUR LOGO

The logo represents the sign for “tree”, and this represents the need for the world's deaf community to be green. Green can have several meanings: equality, diversity, and a healthy and positive environment. The statue is based on the city of Almada's famous 'Christ the King' statue, but our statue does not have a face because we wanted it to represent everyone. The red bridge in the logo symbolises the bridge between the deaf community and the world, as well as between people of different cultures. It is also the bridge near our accommodation! Our main theme will be “ECO-DEAF”. Through our ECO-DEAF and green themes, we strive to fight to end barriers we face.

SAFEGUARDING

EUDY'S VALUES

EUDY's goal is for children and young people to be able to get involved in voluntary and democratic communities and have an influence on the society around them. Therefore, EUDY works for the children and youth organisations to be able to realise their purposes and to promote their common interests. EUDY bases its work on the values of voluntariness, democracy, and diversity. In order to best promote the organisation's purposes and values, it is a goal that EUDY should be a safe organisation. This means being a safe community for all participants in our activities and events and creating a safe framework for external activities for representatives, delegates, and employees.

Therefore, to maintain our goal of being a safe and inclusive organisation, everyone is required to abide to the guidelines outlined below:

- To uphold EUDY's aim to provide safe spaces for every individual, you are required to show respect for all people, regardless of age, race, ethnicity, gender, sexual orientation, religion, outlook on life, political beliefs or disability.
- Each individual's integrity and boundaries are respected.
- All forms of discrimination (e.g. racism, sexism, Islamophobia, etc.), sexual and physical harassment, and bullying are not acceptable in EUDY's spaces.

2. RESPECT OTHERS' BOUNDARIES

Every individual has their own personal boundaries and values, and the Camp requires all participants to respect them. Breaching and disregarding them via slander and/or harassment (physical and verbal) will not be tolerated.

3. RESPECT THE SPACE

The Camp is taking place on a reserved space that comes with its own regulations. The Camp will inform the participants of these regulations on the arrival day and the Camp will treat any violation of the site's regulations as a violation of our own. Every participant is also required to keep the site tidy, so clean up after yourself.

3. CAMP PARTICIPATION

The Camp expects every individual to participate in the program. Failing to attend more than two activities with no legitimate reason (i.e. a reason agreed upon with the OC team beforehand) may lead to the participant's expulsion from the camp.

The Camp also asks every participant to include each other in activities to ensure an enjoyable experience for everyone involved.

YOUTH CAMP REGULATIONS

5. DRUGS AND ALCOHOL

No alcohol will be permitted during the day. However, at the end of a camp day, once all talks and activities of the day are done, participants may drink responsibly. Any hangovers will not be treated as a legitimate reason to miss the next day's activities (i.e. if a participant does not turn up in an activity due to a hangover, they will still be given a strike against them and, therefore, risking expulsion).

The Camp takes a 'zero tolerance' stance on drugs. Any solicitation of drugs will be reported to the authorities in accordance with the host country's laws.

Smoking is only permitted in the designated smoking area, which will be shown on the arrival day.

6. DISCLOSING HEALTH/MEDICAL DETAILS

The Camp asks all participants to inform us of any present health/medical issues, including any medication taken and/or allergies. All information will be kept confidential. However, if a participant refuses to disclose their health/medical issues, the Camp will not take responsibility of any health/medical consequences that might occur.

YOUTH CAMP REGULATIONS

7. NOTIFYING STAFF

The Camp requires every participant to always notify an OC member before leaving the site. This is to ensure everyone's safety and security, as well as the staff's peace of mind.

8. FREE TIME

All participants may choose what to do in their free time, as long as they are within the Camp's regulations. However, the Camp asks every participant to be vigilant of their own safety (especially around roads and on the beach) and notify a staff if they wish to leave the site.

If a participant wishes to swim in the sea, the Camp implores that they do not go to the beach alone as the sea can be unpredictable, especially to a visitor to the area.

9. REPORTING

If you are harmed, witnessed a violation, or have concerns, please speak to one of our safeguarding officers ASAP. They can be identified by the white band on their arm. They will take every report (both official and unofficial) seriously and they will follow the correct safeguarding process and keep you updated throughout the process.

SAFEGUARDING

EUDY AND THE YOUTH CAMP TEAM'S PROMISE

To abide to EUDY's values and safeguarding regulations and ensure a safe and enjoyable experience for all, we promise to:

- Make every effort to preserve a safe space for every individual of all backgrounds.
- Take every complaint and concern (including against ourselves) seriously and follow them up promptly - even after the camp.
- If an individual is harmed, reassure and inform the victim of the safeguarding process and any decisions made to resolve and secure the situation involving them.

The camp's Safeguarding Agreement form will be shared with the third announcement. Please read and sign it when you receive it.

**FOR FURTHER INFORMATION,
PLEASE VISIT OUR WEBSITE.**

** Please note that the Camp Safeguarding regulations are based on the draft Safeguarding Guidelines from EUDY's project "Safeguarding Guidelines 2022," which have not yet been formally adopted. However, we will be testing this version during the camp.*
